

BENHALL AND STERNFIELD VILLAGE GREEN.

Our Village Green is the property of Benhall Estate but is managed on a day to day basis by the Parish Council.

The Green is for the enjoyment of everyone in the parish, young and old, but a few simple rules apply in order to protect the Green and local residents. Sticking to these rules will enable the Green to flourish and ensure that it remains a tranquil centre to our community .

1. No motor vehicles including motorcycles are allowed on the Green except as essential support for community events authorised by the Parish Council. Parking is available at Benhall Club.
2. No structures such as gazebos, tents and marquees are to be erected on the Green except for community events authorised by the Parish Council.
3. No 'bouncy castles' or similar to be placed on the Green except for community events authorised by the Parish Council.
4. No amplified music except for community events authorised by the Parish Council.
5. No fires, barbeques or cooking except for community events authorised by the Parish Council.
6. The commemorative beacon is only to be lit for national events and as authorised by the parish council
7. All litter to be collected and disposed of in the litter bins or (preferably) taken home.
